THE EDITORS' CORNER

Call for Papers

The Council of Science Editors (CSE) has launched a concerted global initiative to simultaneously publish papers in over 50 journals on the theme 'Issue on Poverty and Human Development'. Social Medicine is requesting articles on the theme "Poverty, preventable ill health, malnutrition and mortality: global perspectives". We invite readers to send in proposals for articles or unpublished papers on closely related topics. Publication date is October 2007. We ask you to contact our Editor (MattAnderson@socialmedicine.org) if you are planning to submit a paper. More information can be found at http://www.councilscienceeditors.org/globalthemeissue.cfm
